3. Frequent hand washing

HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

HEALTH MONITORING

1. Employers should make temperature checks available and post information about COVID-19 symptoms to allow employees to self-assess whether they have any symptoms and should consider going home
2. Have a wellness screening program for conducting in-person screening upon arrival as well as a mid-shift screening for employee shifts greater than 5 hours
3. If employee reports having any COVID-19 related symptoms, they should remain isolated at home for a minimum of 10 days after symptom onset AND until feverless and feeling well (without fever-reducing medication) for at least 72 hours OR confirmed to not have COVID-19 via 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with a person who is diagnosed with COVID-19 should quarantine for 14 days

PHYSICAL WORKSPACE

1. Display signage at entry with face covering requirements, social distancing guidelines, cleaning protocols, and any reduced capacity limit, in multiple languages as needed
2. Ensure at least 6-ft. between individual recreation stations
3. Concessions should follow Restaurant and Bar guidelines (visit www.dceocovid19resources.com) for all food and beverage operations and should be one of the following:
 - a. Delivered by a server who takes orders from guests while seated with distancing requirements laid out in Restaurant and Bar guidelines (visit www.dceocovid19resources.com) OR
 - b. At outdoor kiosk, purchased pre-packaged via "grab and go" with queuing areas clearly marked to observe social distancing OR
 - c. At indoor quick service areas over 500 sq. ft., purchased prepackaged via "grab and go" (no queuing permitted)
 - d. At indoor quick service areas 500 sq. ft. and under, purchased prepackaged via "grab and go" with queuing areas clearly marked to observe social distancing

4. Concession stand employees should not refill patron food (e.g. popcorn) and/or beverage containers. Refills are still allowed at venue operators' discretion, but must be completed using new food and/or beverage containers

DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on weekly basis
2. Clean and disinfect common areas (e.g., restrooms, equipment rental counters) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently; every 2 hours recommended for high-traffic areas
3. All rental equipment and other utilized equipment should be thoroughly sanitized before and after use
4. Clean and disinfect occupied tables and seats between use by different groups or parties, and again at closing time
5. Sanitization of locker rooms and showers should be completed in line with Health and Fitness Centers guidelines

STAFFING AND ATTENDANCE

1. Indoor facilities should operate at lesser of 50 customers OR 50% of facility capacity
2. Outdoor facilities should limit group sizes to 50 customers
3. Design a plan to allow for social distancing within the workplace and if needed, designate employee(s) to monitor capacity limits and social distancing
4. Limit occupancy of common areas to allow for social distancing
5. Develop a method to inform customers of available facility capacity before arrival (e.g. reservation system) and customers should check for available capacity

EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Suppliers and non-customer visitors should wear face coverings over their nose and mouth when entering premises
3. Keep log of all external suppliers who enter premises

CUSTOMER BEHAVIORS

1. Wear face coverings over nose and mouth
2. Before allowing entrance, ask whether customer is currently exhibiting COVID-19 symptoms
