

OUTDOOR SEATED SPECTATOR EVENTS GUIDELINES

GENERAL HEALTH

1. Wear face coverings over nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

HR AND TRAVEL POLICIES

1. Employees should follow CDC travel guidance to protect themselves and others during business travel
2. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

HEALTH MONITORING

1. Employers should make temperature checks available and post information about COVID-19 symptoms to allow employees to self-assess whether they have any symptoms and should consider going home
2. Have a wellness screening program for conducting in-person screening upon arrival as well as a mid-shift screening for employee shifts greater than 5 hours
3. If employee reports having any COVID-19 related symptoms, they should remain isolated at home for a minimum of 10 days after symptom onset AND until feverless and feeling well (without fever-reducing medication) for at least 72 hours OR confirmed to not have COVID-19 via 2 negative COVID-19 tests in a row, with testing done at least 24 hours
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with a person who is diagnosed with COVID-19 should quarantine for 14 days

PHYSICAL WORKSPACE

1. Display signage at entry with face covering requirements, social distancing guidelines, cleaning protocols, and any reduced capacity limit, in multiple languages as needed
2. On website and digital ticket purchasing sites, venue operators should clearly indicate face covering requirements, social distancing guidelines, cleaning protocols, and any reduced capacity limit, in multiple languages as needed
3. Allow for 6-ft. spacing between occupied ticketing workstations OR if not practical, install an impermeable barrier between ticketing workstations
4. Ensure at least 6-ft. between seats occupied by spectators not members of the same household or party. If needed, limit number of open seats to ensure social distancing (e.g., zip tie unused seats, remove seat bottoms, cover unused seats)

5. All individuals (e.g., athletes, employees, coaches) should maintain 6-ft. of social distancing - including while on sidelines and during warm-ups and practices - unless job duty cannot be performed without proximity (e.g., athlete during game play) and should wear face coverings if practical
6. Sporting facilities with stations for individual activities (e.g., track and field) should ensure at least 6-ft. between stations/ limit number of open stations to ensure social distancing
7. Any spectator seating within 6-ft. of field or athletes should be closed OR impermeable barrier should be installed
8. Concessions should follow Restaurant and Bar guidelines for all food and beverage operations and should be one of the following:
 - a. Delivered by a server who takes orders from guests while seated OR
 - b. At outdoor kiosk, purchased pre-packaged via "grab and go" with queuing areas clearly marked to observe social distancing OR
 - c. At indoor quick service areas over 500 sq. ft., purchased prepackaged via "grab and go" (no queuing permitted)
 - d. At indoor quick service areas 500 sq. ft. and under, purchased prepackaged via "grab and go" with queuing areas clearly marked to observe social distancing
9. Tailgating is not permitted
10. For any gift shops or retail locations, venue operators should refer to retail guidelines
11. Locker rooms, showers, medical tents, training rooms and spectator queue points should be configured with signage to ensure individuals can maintain 6-ft. of social distance
12. Athletes should refrain from using communal sources of hydration (e.g. team water or sports drink jug), avoid sharing water bottles and use own athletic equipment and gear

DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on weekly basis
2. Frequently clean and disinfect common areas (e.g., restrooms, locker rooms) and surfaces touched frequently by multiple people (e.g., entry/exit doorknobs, stair railings)
3. Clean and disinfect occupied tables and seats between use by different groups or parties, and again at closing time
4. Minimize sharing of high-touch equipment. If equipment is to be shared, equipment should be sanitized before and after use with EPA approved list of disinfectants
5. Valet staff should perform cleaning of vehicle in compliance with GSA protocols
6. Sanitization of locker rooms and showers should be completed at the beginning and end of practice/ games at minimum
7. Sanitization of medical tents/ training rooms should be completed in line with IDPH Health Care Provider guidelines

OUTDOOR SEATED SPECTATOR EVENTS GUIDELINES

STAFFING AND ATTENDANCE

1. Operate at 20% of seating capacity for spectators. There must be at least 6-ft. spacing between spectators that are not members of the same household or party
2. Design a plan to allow for social distancing within the workplace and if needed, designate employee(s) to monitor capacity limits and social distancing
3. Limit occupancy of common areas to allow for social distancing
4. Develop a method to inform customers of available venue seating capacity before arrival and customers should check for available seating capacity before going to venue
5. No handshakes at the beginning or end of games between athletes and no signatures, fan pictures, or close contact between athletes and spectators

EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Suppliers and non-spectators should wear face coverings over their nose and mouth when entering premises
3. Keep log of all external suppliers who enter premises

CUSTOMER BEHAVIORS

1. Wear face coverings over nose and mouth
2. Spectators should check for available capacity before going to the facility
3. Before allowing entrance, employers ask whether customer is currently exhibiting COVID-19 symptoms
4. Implement touchless transactions/ registration for patrons upon arrival to the event (e.g., mobile ticketing/ check-in)
